School of Basic Studies, Makurdi, Benue State	IJMB	1984
Ahmadu Bello University, Zaria	B.Pharm	1989

West African Postgraduate College of Pharmacists	FPCPharm	2000
University of Jos, Jos	M.Sc.	2005
University of Jos	PhD	2012
Kenyatta University, Nairobi	Certificate (Mandarin Chinese)	2013

SECTION C. SCHOLASTIC AWARD/RECOGNITION

Scholastic Award

Benue State Scholarship Award tenable at Ahmadu Bello University, Zaria for bachelor of pharmacy degree (1985-1989)

Fulbright Fellowship Award tenable at University of Maryland, USA for 9 months research work (2009-2010)

First Place Award on Social Responsibility Workshop, Fulbright Enrichment Seminar, Feb 2010 Nashville, TN, USA

E-Fellowship Award (PHEA) Tenable at University of Jos for nine months (2010-2011)

IIE-SRF (USA) Fellowship Award tenable at Kenyatta University, Nairobi, Kenya (2012-2013)

Recognition

Exemplary leader Recognition by the Igede Students Association, University of Jos branch, 2012

SECTION D. WORK EXPERIENCE AND CAREER PROGRESSION

JOB/ASSIGNMENT	INSTITUTION/ESTABLISHMENT	DATE
Internship	Ahmadu Bello University Teaching Hosp., Zaria	1989-1990
NYSC	General Hospital. Gombe,	1990-1991
Supt./QC Pharmacist	Europharm Laboratories, Jos	1991-1992
Supt./Production Pharm.	Europharm Laboratories, Jos	1992-1993
Production Pharmacist,	Minna Pharmaceuticals and Surgical, Minna,	1993-1994

QC /GMP, Pharmacist	Nigerian German Chemicals, Lagos	1994-1995
Production Pharmacist,	Nigerian German Chemicals, Lagos	1995-1996
Packaging Pharmacist,	Nigerian German Chemicals, Lagos	1996-1997
Production Manager,	Nigerian German Chemicals, Lagos	1997-1998
Production Pharmacist,	Central Drug Supply Services, CHAN, Jos	1998-2000
Supply and Distribution pharmacist,	Zone C, CHAN, Numan	2000-2001
Production Pharmacist,	Central Drug Supply Services, CHAN, Jos	2002-2003
Production Manager	Baka'I Helvetica Pharmaceuticals Limited, Minna	2003-2004
Assistant Lecturer,	University of Jos,	2004- 2005
Lecturer II,	University of Jos	2005
Lecturer I,	University of Jos	2005-2008
Senior lecturer	University of Jos	2008 - 2011
Reader	University of Jos	2011 -2014
Professor	University of Jos	Oct 2014-Date

SECTION E. ACADEMIC RESPONSIBILITY

1. Lecture 200 to 500 level pharmacy students in Pharmaceutics courses (PTE 201,202,301,302,401,402,403 and 501) from 2005 to date. I also take PSC 403 and PSC 502 (2006-Date)
2. Coordinate Pharmaceutics PTE 501 practical (2005-2012)
3. Participate in practical classes in the following Pharmaceutics courses: PTE 401 (2004-2009) & PTE 403 (2004-2007)
4. Departmental Examination Officer (2004-2009)
5. Faculty Representative to Faculty of Social Sciences, University of Jos (2006-2009)
6. Member, Faculty Advancement Committee (2006-2010)
7. Member of the Phytomedicine Research Group, University of Jos (2004-Date)
8. Assistant Faculty Coordinator, SIWES program, Faculty of Pharmaceutical Sciences (2006-2009)

9. Postgraduate teaching 2010/2011 academic session-Date
10. Supervision of West African Postgraduate College of Pharmacists Part II students Projects (2010-Date)
11. Faculty Examination Officer, (2010 to 2012)
12. Faculty SIWES Coordinator, (2011 to 2012)
13. Deputy Dean, Faculty of Pharmaceutical Sciences (Feb 2011 to September 2012)
14. Elected representative to Senate (2011 to September 2012)
15. Departmental Examination Officer (May 2014-July, 2014)
16. Faculty Examination Officer, (August 2014- Date)
17. Departmental Postgraduate Program Coordinator (2014-2015)
18. Secretary, Abstract Review Committee, African Center for Phytomedicine Research and Development (ACEPRD)
19. Member, Ethics Committee ACEPRD
20. Press Editor, ACEPRD Journal of Phytomedicine Research
21. Faculty representative, Complex 'C' Appointments and Promotions Committee, University of Jos (2014-Date)
22. Internal Examiner, PhD Theses
23. Member, School of Postgraduate PhD viva voce examination Committee of University of Jos
24. Postgraduate Program Coordinator, Faculty of Pharmaceutical Sciences, University of Jos (2015- date)
25. Head of Department of Pharmaceutics and Pharmaceutical Technology, University of Jos (Feb 2015-Date)
26. Faculty representative to the School of Postgraduate Studies (2015-Date)

SECTION F. MEMBERSHIP OF PROFESSIONAL BODIES

1. Member, Pharmaceutical Society of Nigeria (PSN)

2. Member, American Association of Pharmaceutical Scientists (Formulation and Drug Development Focus group, Excipient Focus group) (**ID No:192043**)

3. Member, American Chemical Society (**ID No: 30733616**)

4. Life member, Society of Pharmaceutical Education and Research (SPER), India (**ID No:SPER/Int/003**),

SECTION G. DETAILS OF TEACHING EXPERIENCE AT UNIVERSITY

1. Teaching of undergraduate courses in pharmacy schools

2. Teaching of postgraduate courses to M.Sc. students and Postgraduate College of Pharmacists students
3. International teaching experience (undergraduate and postgraduate) in Kenyatta University, Nairobi, Kenya

SECTION H. PROJECT/THESIS SUPERVISION

The following are some of the projects supervised

a. Undergraduate projects supervised

1. Investigation of the binding potential of *Eleucin coracan* and *Pennisetum americana* in paracetamol tablet formulation

   EPO, Joseph NgbedeUJ/97/PH/0030
2. Availability of antimalarial drugs in Jos metropolis

   OCHUGBUJU, Samson Inalegwu (UJ/97/PH/0075
3. Binding properties of Digitaria exilis Stapf (Gramineae) starch in paracetamol tablet

   FAMORIYO, Patrick UJ/2000/PH/0049
4. Leprosy and Tuberculosis Drug Supply Management in Plateau State

   LOHOR, Retsat Joyce (UJ/2000/PH/0044
5. Modification and evaluation of some physicochemical properties of ginger, maize, acha and millet starches

   ADEWUYI, Emmanuel Olorunleke (UJ/2002/PH/0011

   AGWU, Udas Torty (UJ/2001/PH/0016)

   GYANGGYANG, Miranda Firdaws (UJ/2001/PH/0079)

   AMWE, Jane Akai (UJ/2002/UJ/0030

   NNNANYELUGO Innocent Chukwuemeka (UJ/2003/PH/0117)

   DANAT, Nanfwang Sale (UJ/2003/PH/0050)
6. Studies on some excipients obtained from natural sources in Nigeria as suspending agent in sulphadimidine formulation

   OMACHI, Jessica Achetu (UJ/2001/PH/0139)
7. Physicochemical properties of acetylated acha (*Digitaria exilis*) starch powder

   PETER, James UJ/2002/PH/0154
8. The potential of zobo as a coloring agent in pharmaceutical preparations

   EYEWUOMA, Mejebi (UJ/2002/PH/0067)
9. Some physicochemical properties of oxidized acha (*Digitaria exilis*) starch

TOHOMDET, Plangnan (UJ/2003/PH/0171

10. A survey on compliance of manufacturer to regulatory requirements on packaging of oral liquid dosages in Jos metropolis

    OTUTU, Katherine Otelahu (UJ/2003/PH/0151)

11. Studies on Amora root as a binder and disintegrant on paracetamol tablets

    TARNI, Godiya Sunday (UJ/2003/PH/0166)

12. Studies on the Physicochemical properties of tablets formulated with ginger starch as binder and disintegrant

    OFAGBOR, Bamiche Vivian (UJ/2003/PH/0125

13. Some physicochemical properties of *Abelmoschus esculentus* (Malvacea) gum and its potential as a film coating agent

    NNOLI, Obiageli Mary (UJ/2003/PH/0118)

14. Evaluation of sulphadimidine suspension formulated with *Abelmoschus esculentus* mucilage as a suspending agent

    TIMOTHY, Emmanueal Ashalame (UJ/2006/0042

15. Suspending properties of *Irvingia gabonensis* gum in paracetamol pediatric suspension

    DANGO, Zainab Purdi (UJ/2005/PH/0088)

16. Physicochemical properties of paracetamol tablets film coated with okoho gum

    JOSHUA, Ndagi David (UJ/2005/PH/0033)

17. Evaluation of A*belmoschus esculentus* gum as a potential emulsifying agent in arachis oil emulsion

    IBRAHIM, Hannah Medina (UJ/2006/PH/0033)

b. Postgraduate supervision

1. Postgraduate College of Pharmacists part II project supervision:

(a) NDUKWE, N C. – Completed 2012
Drug use pattern with standard indicators in Jos University Teaching Hospital, Jos, Nigeria

(b) MUSA, Solomon Ebuga (Registration Number 20102443)

'A study on the relationship between pharmaceutical products registered by National Agency for Food and Drug Administration and Control (NAFDAC) and those available to consumers'

2. Kenyatta University, Nairobi, Kenya

(a). VUGIGI, Sarah, PhD (Reg. No. P87/25201/2013). Title 'Assessment of the pharmaceutical manufacturing industry in Kenya to forecast local production sufficiency'

(b). KODHIAMBO, Onditi Maurice, PhD (Reg. No. P97/22456/2011). Title 'Pharmacoepidemiology of medication use during pregnancy in Kenya'

SECTION I. RESEARCH ACTIVITIES

1. Formulation studies with focus on using locally available excipients to increase the local content of our pharmaceutical products in line with the national vision.
2. Regulation and Registration of Pharmaceutical Products in Nigeria and the impact of the pharmaceutical industry in Nigeria on the economy
3. Formulation studies on phytomedicines
